Nashua Stars Yearbook Photo Contributions

The last day to upload pictures to be used in the school yearbook is February 28th to give the Yearbook Committee time to finish the yearbook. Our school code is 437881. Visit <http://nashuapta.webs.com/get-involved> and look for the "Upload Yearbook Pictures" instructions. Many classes still need pictures so please upload to share your favorite photos from this school year.

Be sure to name your group of pictures accordingly. For example: Mrs. Glasgow's Crazy Sock Day 2013 or Mrs. Lowe's Spirit Wear October 2013. Since the yearbook staff cannot identify every student, it helps to have as much detail as possible about the class, students or event.

All pictures uploaded will be considered for the yearbook. Please remember that pictures must be taken at school or at a Nashua Elementary School event such as room parties, programs, field trips, Wendy's Night, skating nights, Silver Fork Lunches, etc. We ask that students keep hand gestures to a minimum. Parent picture takers can offer to take one yearbook picture and one silly picture.

Volunteer Opportunities

There are many volunteer opportunities available for parents, community members and students looking for A+ and community service hours. Visit the PTA Website to sign up to help with these featured committees

Roundin' Up New Stars
