Spring Parties...

Nashua Spring Parties take place on Monday, February 14th from 2:30-3:15. PTA is providing ice cream for each class as well as paper goods, syrup toppings, sprinkles, crushed M&M's, crushed Oreo's and Capri Suns. Individual classes may discuss and decide to bring additional toppings if they like. Parent volunteers attending the parties will be asked to help scoop ice cream for the students. You may contact your room party representative for more details or the grade party representative with any questions. You may also contact the Room Party Coordinator, Courtney Church at 734-5662.

PTA Needs Parent Volunteers

As we approach the final months of the school year and are looking toward 2011-2012, it is necessary to note that our Nashua PTA volunteers are thinning out. In recent years we have seen many parent volunteers move on to New Mark with their students and we have a real need for new parents to start taking active roles in our PTA. This year we will be losing many key members who will leave vacant chair positions. If you are not ready to take a role, start by coming to the monthly meetings and listening to discussions, offering feedback and really understanding what our PTA accomplishes for your student(s). Here's just a sample of what PTA sponsors...field trip transportation, creative arts assemblies, room party necessities, skating nights, book fairs, cup stacking, end of year carnival, 5th Grade D.A.R.E. and so much more. All this happens with dedicated parents who want to see our students have access to all of these. There are many more things PTA would like to see happen and that takes more volunteers. So take some time and invest in your student's school. Again, the need is great. Meetings are the second Tuesday of the month at 6:00.

RECYCLING REMINDER

Nashua Elementary can be your one stop recycling center! Our list of recyclables continues to grow. We accept Stride Gum Packages, empty toothpaste tubes, dried out markers and other art supplies, ink cartridges and we are a participant in My Coke Rewards—yep, those caps with codes on Coke products including Powerade!

For those of you who were recently delivered new phone books, you can recycle your old ones in the recycle bin that is located in the school parking lot. We are paid by the ton, so heavy phone books help us a bunch!

For a complete list of all the items that you can send in for recycling check out our Facebook page or you may contact Lindsay Villagran at 277-9433.

Book Fair Volunteers...

Sherry Thomas is needing volunteers to help out with the Spring Book Fair. There are many opportunities to help with setup and teardown and much more. Scholastic provides us with many options to increase our Book Fair Rewards and we have a great need for more parents to take part and help make that happen. If you can help with the Book Fair, please contact Sherry Thomas at 429-5379.
