### **New Business**

Kristen Reel reported for Sherry Thomas.

Sherry has secured Northern Lights Pizza for the Valentine's Parties.

Sun Fresh will provide juice boxes.

Lisa Sparks inquires if there will be enough money to provide the students with a cookie or donut as well.

Nancy Flynn comments that she would like to see PTA donation money spent so there will not be a surplus at the end of the school year.

Joan Skare requests that rather than provide a cookie or donut at the Valentine's Party, could another day, perhaps a half day, be looked at as a day to provide the students with treats.

Kristen Reel will discuss the option of another "treat day" with Kathy D'Anza.

## Year Book

Nancy Flynn reports that she has been shopping digital cameras for the PTA. She has concerns that the camera she might choose for the PTA may not be one that is suitable for the PTA two years from now.

After discussion, the decision is made to table to purchase of a digital camera for the PTA.

Continued discussion brings up the idea of having Nashua Elementary sites setup on Snapfish.com and/or Shutterfly.com where any parent/teacher could upload photos that could then be used by the Year Book Committee.

Lindsey Villagran reported in November that there would be a digital camera in every class room through Campbell's. Some PTA Members question the accuracy of a camera in every class room. Sandi Brown will double check with Lindsey and verify.

## Amy Waters Request

Amy Waters in conjunction with the 4<sup>th</sup> graders earned some extrafunds through the Kidney Foundation and is requesting to do something special with the money for the 4<sup>th</sup> grade.

Kristen Reel will talk with Amy in detail and report back the amount of money and when/what they would like to do.

## Mark Dieckman Request

Mark Dieckman presented a need that the teachers have for new/additional die cuts for the current machine that is being used.

The current designs requested by teachers were presented to the PTA with a total cost of roughly \$330.

Jill Hoover motioned that the profits from the Santa Shop be used to purchase the requested die cuts. Lisa Sparks seconds the motion – motion passes.

Jill Hoover motions that any profits from CiCi's, Pizza Factory and Wendy's for January, February and March be designated for the purchase of additional die cuts when needed. Lisa Sparks seconds the motion – motion passes.

## Sun Fresh Thank You

Discussion took place about putting together a thank you banner for the individual at Sun Fresh who takes such good care of the Nashua kids and PTA for our parties and special events.
