April, 2008

A Note from the President

Welcome Spring! Even though we have to go a few extra days this school year to make up for our snow days, school will be over for another year before we know it. The PTA and Nashua Elementary have quite a few upcoming events, so lets end the year with a bang. Look for another box tops contest. The winning classroom will receive an extra recess!

The 4th Grade Teachers are taking the 4th Grade Students to Jefferson City to wrap up their study of Government. The PTA was able to pay half the cost of this field trip and will continue to do so each year. Look for permission slips and parent sign ups to come home with your 4th grader.

April 15th will be our last PTA meeting for this school year, please plan to attend and hear what is going on with your PTA and Nashua Elementary. At that time we will be asking for volunteers to chair or co-chair our fundraising committee as well as our yearbook committee for the 2008-2009 school year. We will also vote in a new treasurer for the 2008-2009 school year. If you are interested in any of these positions, please feel free to come to the meeting and ask questions and learn more about these positions. If you have any questions prior to the meeting, please feel free to call me at 734-2706 or email me at bkreel@kc.rr.com.
