

Nashua PTA Standing Rule Regarding Memorials

This PTA supports the purchase of a memorial item limited to current students and/or faculty members of Nashua Elementary School. Students or faculty working at or attending another school, in or out of NKCS D, are not considered “current”.

This PTA will financially contribute no more than \$25 toward a memorial item. If the memorial item cost exceeds the \$25 PTA contribution, private individuals can then raise additional funds to complete the purchase of the stone.
