  - Thank you all for such a wonderful year. I wish so much I could be there in person to thank you for being the most incredibly supportive PTA with which I've ever had the opportunity to work. Your dedication to our school community is second to none and kids and staff alike can all feel this; our school is better because of you. From the courtyard project to class parties to field trips and making teachers feel supported and appreciated all year long, you have a great impact on us. I couldn't be more excited to begin out work for the 22-23 school year together. Thank you!
