Principal's Update

- ★ Attendance between 360-370
- ★ Thank you for the meal in December - it was unique and fun for the staff.
- ★ Heard great things about the Snowmen at Night event. It sounded fun and the teachers talked about how much fun the kids had.
- ★ Site-based council had a conversation about changing the “spring” party to a Kindness Party - kids will be able to pass out valentines. PTA is welcome to provide a trinket for the students, but no longer provide food.
- ★ Parents are still not allowed on campus during school events.
- ★ Bookfair - scheduled it for the week of February 28th with Reading Night on March 3rd - details to follow in the coming weeks.
- ★ Hot Rocks is a new business partner with the school - will be working on something with them.
- ★ This spring on the election ballot is a Bond and Levee for the school district - Nashua would be on this bond for a new building if it passes. Please pay attention to this because it would have a huge impact on our school specifically. More information will be shared when it is received.
